or working for it; (3) by prostitution.

Eleusine is made into beer as well as eaten; honey provides both food and incense (aphenik), and salt is made by burning the leaves of *tepyngat* (*acacia integrifolia*).

Fig. 1 shows a clan-settlement, and the division of the *indawet* among the four households which form it.

The relationship between the various members of this settlement is shown in the table on page 195.^{1,2}
